

## **Classroom Electronic Use Policy:**

1. Electronic devices (cell phones, iPads, tablets, music players, etc.) are to remain on silent and put away during class time, unless the teacher has instructed to use them for a class activity.
2. Digital recording (audio and/or video) or photography with electronic devices may not be done without prior approval of the teacher.
3. Practice appropriate digital citizenship at all times when using electronic devices.

For our classroom, Digital Citizenship is defined as:

"Critical thinking and ethical choices about the content and impact on oneself, others, and one's community of what one sees, says, and produces with media, devices, and technologies."
